

How to Register

With USSA Region 2 for 2010/11

Registration

1. All athletes, parents and coaches must register online with Region 2.
2. At least one parent of each athlete must register first online with Region 2 before registering their athlete/s. *Parents are not required to have a USSA number, but we encourage you to take the AO class and apply for a USSA number.*
3. Before athletes and coaches can register with Region 2 they will need to register with USSA and get a current competitor/youth competitor/non-scored student or coaches license. To register with USSA go to their website www.ussa.org and use the drop down menu Membership Tools and click on Online Registration.

Region 2 Online Registration

Once you have your USSA number from your license use the hot button Register Online and follow the steps. You will need a credit/debit card to complete the registration.

During the registration process athletes will choose their races for the season. Race options available this year are:

J56 Race Option **\$30 per race weekend**, registration and payment due online at least one week prior to the race weekend.

1 Race Option **\$50** (Available to new members only ages J4's and older)

1 - 3 Race Option **\$250**

Full Race Option **\$285**

College/SR Option **\$50 +\$10 per race day** payable in the race office

Parent Work Obligation

The obligation for the 1-3 Race Option is 4 work days or \$400, for the Full Race Option it is 6 work days or \$600. There is no work obligation for the J56 nor 1 Race Option but your help at the races would be appreciated. So please consider signing up for a job.

During the registration process you will be required to agree to the work obligation and enter a credit/debit card number to secure your obligation.

Please note: Your credit/debit card will not be charged until March 31, 2011 and you will only be charged for unfulfilled 2010/11 Parent Worker obligation. (Please read the details of the Parent Work Obligation under the Parents hot button) Entering your credit/debit card number during the registration process is NOT your payment for your registration race fees. All race fees are completed through a PayPal link at the conclusion of the registration process.

Thank you.

Your Region 2 Board
